Welcome to Partridge Walk

Just a few miles from Stafford Town Centre, Partridge Walk has plenty of local amenities including chain restaurants such as Nandos and Zizzi. There is also the Post House Bar and Grill, Aston Marina and the Seven Stars restaurant that are all popular local eateries.

The M6 is just a short drive away with easy access to the North and South of England. Birmingham airport is around 40 miles away and East Midlands is 45 miles. Our development is in a great location if you commute via rail, there are stations at both Stone and Stafford.

With plenty of going on in and around the town of Stafford, Cannock Chase and the Shugborough Estate are some of the biggest attractions in the area. The walks are great for a rambler's retreat or general sunny day out. At Cannock Chase, there is a Go Ape Adventure park that's great for families, and for history lovers you can enjoy the sights of Stafford Castle. For younger children there is the local Amerton Working Farm and Railway and for those who

love wildlife can experience Trentham's Monkey Forest and the Gentleshaw Wildlife Centre. Nearby towns and villages include Stone, Sandon and Eccleshall.

Stafford is the perfect place for shopping and offers an abundance of popular highstreet stores including Next Home, TK Maxx, M&S and River Island to name but a few. There's a great choice of supermarkets, too including Aldi, Sainsbury's and Tesco. The town of Stone is also home to its own highstreet with a number of independent shops and an M&S Foodhall.

So if you're looking for a quality new home in this sought after location your search ends here!

A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions. An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living. With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on master bedrooms and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.

Firm foundations means peace of mind for you

When buying a new home, you want to be sure you can trust your builder. Choosing a Bovis Home gives you the peace of mind that comes from choosing a company that has been building some of the **best homes in the UK for more than a hundred years.**

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Bovis Home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.
