Welcome to Coggeshall Mill

This attractive new development is in the pretty market town of Coggeshall in Essex, which has a history dating back to Roman times.

Sitting beside the scenic River Blackwater, Coggeshall boasts hundreds of listed buildings, including Grange Barn and Paycocke's House and Garden, both National Trust-owned.

The town centre hosts a weekly market and there's a supermarket; convenience store; pubs and a youth club and café. Local facilities include a library, a museum, doctor's surgery, village hall and a popular local park.

The A120 bypasses the town, linking you to Colchester 9 miles away and Braintree, 10 miles, where you'll find shopping centres, sports and leisure facilities, cinemas and theatres.

Continue on the A120 west for 25 miles for junction 8 of the M11 for London. Trains run from Kelvedon Station, just 3 miles away, to London Liverpool Street, taking less than an hour. London Stansted Airport is approximately 22 miles away, and can be reached by car taking less than 30 minutes.

Our range of 2, 3, 4 and 5 bedroom homes at Coggeshall are designed to embrace contemporary living with popular features such as open-plan living, stylish fitted kitchens and main bedrooms with en suite.

So, if you're looking for a brand new home built with you in mind, your search ends here!

A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions. An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living. With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on master bedrooms and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.

Firm foundations means peace of mind for you

When buying a new home, you want to be sure you can trust your builder. Choosing a Bovis Home gives you the peace of mind that comes from choosing a company that has been building some of the **best homes in the UK for more than a hundred years.**

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Bovis Home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.

So much choice...

Part of the excitement of buying a new home is the thrill of being the first person to live in the property and having a brand new contemporary kitchen and modern bathroom. Our premium brand partners ensure that all of our fixtures and fittings comply with the latest Government building regulations and only branded appliances are installed in your new home.

Once you know what specification comes included, you'll have a choice from our specially selected tiles for your kitchen and bathrooms, as well as kitchen worktops and cupboard doors. You can then use the Bovis Homes **Select** brochure to add the finishing touches to your home to make it extra special for you!

From personalising your bathrooms with stunning ceramics, or adding smooth sliding wardrobes to your master bedroom, there are a wide range of additional options and upgrades available.

The availability of items is subject to the stage of build, and can vary by development and house type. Our sales consultants will be happy to provide guidance.

The specification shown is correct at the time of production. Bovis Homes is continually reviewing and updating the specification on all house / apartment types and therefore reserves the right to change specification details. Photographs depict typical Bovis Homes interiors and may include optional upgrades. For full details regarding the current specification and finishes, please speak to our sales consultant.
