Homes** 

Welcome to Beuley View

Situated in the landscape of the River Medway, Beuley View enjoys a prime position benefitting from exceptional countryside and access to great transport links.

Peters Village is a modern, well connected new and expanding community, originally home to the Peters Lime and Cement works.

This new community will include 1,000 new homes across 21 acres once completed. With residents benefitting from a range of amenities including a new purpose-built primary school just a few minutes' walk away, which is ideal for young families. Bus transport links are available for local secondary schools. As part of the new Peters Village community there will be shops, medical centre and village hall with changing rooms to serve the area's playing fields.

Wouldham has a village store which is perfect for day to day needs and neighbouring Snodland has a host of shops, takeaway restaurants, a chemist and a supermarket. If a spot of retail therapy is more what you're looking for then Maidstone's Fremlin Walk and The Mall shopping areas offer a variety of popular retail stores, independent boutiques and local amenities. For more comprehensive shopping, visit Bluewater which boasts over 350 brand names, 50 restaurants and bars along with a 17-screen cinema. It also holds numerous events and exhibitions throughout the year.

Beuley View is ideally located to enjoy an array of leisure activities, suitable for the whole family. From the extensive playing fields to walking or bike riding through the countryside or along the esplanade, there is so much to explore in the local area. Leybourne Lakes Country Park is perfectly located just 5 miles away for county walks and

water sports; from paddle boarding to scuba diving. While Cyclopark is situated 10 miles away and has a purpose built multi sports centre for cycling, running and extreme sports. It also offers a play area and 'safety village' for younger visitors to discover. There is a café onsite alongside spaces to bring a picnic.

Medway Valley Leisure Park is conveniently located just 5 miles away and is home to Diggerland, a bowling alley, restaurants, gym and a Premier Travel Inn.

There are numerous places of historical interest within the local area including Rochester Castle and Cathedral. Rochester is steeped in history and hosts a number of festivals and concerts throughout the year, some of which are hosted in the castle grounds. The Historic Dockyard at Chatham provides the opportunity to climb aboard 3 historic warships and a submarine, make your own rope in their famous Victorian Ropery and discover the 400-year-old story of the Dockyard at Chatham in over 10 museum galleries.

Whilst retaining classic architecture and traditional build quality, our homes include popular features such as open-plan living areas, stylish fitted kitchens and spacious main bedrooms, most with en suites, making them your perfect future home.

The perfect position

A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions. An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living. With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on main bedrooms and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.

Firm foundations means peace of mind for you

When buying a new home, you want to be sure you can trust your builder. Choosing a Bovis Home gives you the peace of mind that comes from choosing a company that has been building some of the **best homes in the UK for more than a hundred years.**

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Bovis Home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.

So much choice...

Part of the excitement of buying a new home is the thrill of being the first person to live in the property and having a brand new contemporary kitchen and modern bathroom. Our premium brand partners ensure that all of our fixtures and fittings comply with the latest Government building regulations and only branded appliances are installed in your new home.

Once you know what specification comes included, you'll have a choice from our specially selected tiles for your kitchen and bathrooms, as well as kitchen worktops and cupboard doors. You can then use the Bovis Homes **Select** brochure to add the finishing touches to your home to make it extra special for you!

From personalising your bathrooms with stunning ceramics, or adding smooth sliding wardrobes to your main bedroom, there are a wide range of additional options and upgrades available.

The availability of items is subject to the stage of build, and can vary by development and house type. Our sales consultants will be happy to provide guidance.

The specification shown in this leaflet is correct at the time of going to press. Bovis Homes is continually reviewing and updating the specification on all housetypes and therefore reserves the right to change specification details. Photographs depict a typical Bovis Homes interior and may include optional upgrades. For full details regarding current specification and finishes, for the plots you are interested in, please refer to our sales consultant.
