The Atrium Development update

Issue 2 | Spring 2025

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

The Atrium masterplan provides a holistically designed sustainable 700 homes. The Atrium will benefit from allotments, parks, balancing features and substantial areas of public open space.

Bovis Homes at The Atrium comprises of:

- 170 private sale homes
- 180 pre-sold homes

Timeline

• Finishing work and seeding of the central public open space is underway

Managing agent

All properties at The Atrium will be subject to an annual service charge to cover the public open space including private foot path, amenity areas, play area, ornamental gardens with seating, wet wildflower areas, surface water drainage and balancing feature, as identified on the managed area plan which is available from the sales team.

The managing agents, RMG (Residential Management Group Ltd), have been appointed on behalf of the residents. Full budget details are available from the sales team.
