Development update

Issue 1 | Spring 2025

Keeping you updated

We wanted to provide you with an update on the development and what you can expect from us over the coming months.

Overview

Bovis Homes is building a contemporary collection of 115 new 1, 2, 3 and 4 bedroom houses and apartments. Our homes will include energy saving features such as air source heat pumps, electric vehicle charging points and waste-water heat recovery systems.

Timeline

- As of Saturday 26th March, our sales centre will be open Thursday to Monday 10am – 5pm. Speak to our sales consultant Millie for more information.
- We are constructing two stunning show homes. The Spruce II which is a detached 3-bed home and The Aspen which is a detached 4-bed home. The show homes are due to open Summer 2025.
- Energy efficient 3 and 4 bedroom homes are now for sale, with first occupations due to take place in Autumn 2025.
- As Kingsgrove continues to grow, entrances to the new areas of the neighbourhood will be introduced off the King Alfred Way – with access from the North East parcel opening shortly.
- We continue progress implementing infrastructure such as roads and footpaths endeavouring to provide access to the wider development features as quickly and as safely as possible.
- We anticipate our homes will be fully completed in 2026.

Kingsgrove – Local centre

- New Co-op convenience store is now open as of March 2025.
- Little Pioneers children's day nursery is scheduled to open for the start of the September term.
- The operators of the other three units will start their fitout process once the legal agreements have been finalised, and they will be announced as soon as possible.
- As Kingsgrove continues to grow, entrances to the new areas of the neighbourhood will be introduced off the King Alfred Way – with access from the North East parcel opening shortly.

Kingsgrove – The Hub community centre

- Work is set to start this year, and there will be a ground breaking ceremony and the burying of a time capsule when it gets underway.
- The Hub will be a real community asset to Kingsgrove – with spaces for everyone to enjoy, from halls and rooms to hire for events or meetings, to a café and a co-working space.
