

# Partridge Walk newsletter

Resident update - Spring 2024

As work at Partridge Walk continues, we wanted to keep you informed and provide you with an update on some aspects of the development.

## Sales arena

The Sales Arena, including one Sales Experience Centre and the two show homes, will continue to have an on-site presence for the foreseeable future. Any changes to this will be communicated accordingly.

## Managing Agent: Trustgreen Ltd

Seeking to improve habitats for the benefit of the local community and the wildlife it supports, Trustgreen is responsible for the management and maintenance of public

open space (POS) areas at Partridge Walk. For details visit [trustgreen.com](http://trustgreen.com).

## Community contributions (£106)

A commitment has been made to contribute the following:

- Over £3,000,000 to highways
- Over £2,000,000 to primary education
- Over £2,000,000 to secondary education
- Over £1,000,000 to off-site public open space and maintenance
- Over £500,000 to sports & leisure
- Over £10,000 towards travel

We would also like to thank you for your patience and will be doing everything we can to minimise disruption while building works continue.

## Contact

In the meantime, if you have any queries please contact us by emailing Customer Services at [CustomerService.NorthCentral@vistry.co.uk](mailto:CustomerService.NorthCentral@vistry.co.uk) or call **01785 788 300**.

## Building homes, creating communities

At Bovis Homes we build award-winning new homes at developments across the UK. We take great pride in the wide range of house styles on offer, as well as the many ways that customers can enjoy living at each location.

At Partridge Walk (Phase 1) we will be delivering 179 new homes in total. 126 will be mixed tenure, with 53 designated as Affordable Homes.

### Your safety is our priority

When walking through any of our developments, please be aware of the areas where construction work is in progress and adhere to all the safety signs on display there. In order to cross the 'build line' you must be accompanied by a staff member, and wear all the correct protective clothing required by regulations, including a hard hat, safety boots, and hi-vis jacket.

### Protecting wildlife

Bovis Homes is working in partnership with the Bumble Bee Conservation Trust and British Hedgehog Preservation Society.

### Outside spaces to enjoy

At Bovis Homes we appreciate the importance of having outdoor space close by, and play areas for children to enjoy. At Partridge Walk you will find a designated Public Open Space (POS) area, along with footpaths and allotments that serve the whole development.

### Attenuation ponds

A fairly common feature around new residential developments, attenuation ponds are an important element in the collection and management of rainwater for irrigation and to prevent flooding. At Partridge Walk you will find an attenuation basin has been created, as part of the overall drainage strategy.
