# Welcome to Grange Park

This exciting new development is in the vibrant Suffolk village of Thurston which offers excellent transport links and is just eight miles from the historic market town of Bury St Edmunds.

Just a few minutes' walk from Grange Park you'll find grocery shops, a post office, pharmacy, butchers, coffee shop, library, petrol station and two pubs. The pretty St Peter's Church is grade 2 listed and the two community centres host clubs and classes from Zumba and Pilates, to bridge and gardening.

The village also has its own rugby and football clubs and in nearby Bury, 8 miles away, there are leisure centres, cinemas, as well as the Arc Shopping Centre, Tesco and Asda superstores.

Grange Park is perfectly placed for commuters. Train passengers have just a 12-minute walk to Thurston Railway station. From there trains run regularly to Stowmarket, taking 15 minutes, Ipswich, taking about 30 mins and to

Cambridge in around 45 minutes. Buses also run frequently to Stowmarket and Bury.

Junction 46 of the A14 is less than two miles by car, linking the village to Stowmarket, 11 miles and Ipswich 32 miles. Head west for Bury St Edmunds, 8 miles, Cambridge 35 miles and on to the A11 and M11 for London. Thetford is only 12 miles via the A143 and A134,

The peaceful Thetford Forest Park with more than 40,000 acres of walks, trails and paths, is only 17 miles away.

So if you're looking for a quality new home in this sought after location your search ends here!

# The perfect position

## Education for everyone

The village has two nurseries for pre-school age children and Thurston Church of England Primary Academy School for those aged up to 10. Thurston Community College provides secondary education and a sixth form for students aged from 11 to 18. In Bury St Edmunds St Benedict's

Catholic Upper School also caters for boys and girls aged between 11 and 18, while West Suffolk College offers a range of courses for all ages. There are two independent prep schools nearby, Moreton Hall and South Lee Schools.

# A home designed with you in mind

We are constantly reviewing our houses and ensuring they are everything that our customers want in a home. We are proud to have developed and launched a new range of homes.

These homes have been created to embrace modern design and styling, whilst retaining classic architectural traditions. An integral part of the design process for our new range of homes was to ensure they have a real wow factor and eye-catching kerb appeal. From designing external elevations to create attractive street scenes through to maximising the flow and size of the rooms, the homes include a variety of features to capture the attention.

The size, positioning and number of windows in our new housing collection have created bright and airy homes, this mixed in with the higher ceilings gives your property a spacious feel.

The flow and layout of the new homes has been a key consideration to accommodate today's lifestyles, with a focus on future living. With the kitchen at the heart of the home, impressive family spaces have been included within them to create sociable living areas, while attention on master bedrooms and en suites has given the homes added desirability.

Many of the properties include popular bi-fold doors helping to bring the outside in and enhance the gardens as an extended living area.

## Firm foundations means peace of mind for you

When buying a new home, you want to be sure you can trust your builder. Choosing a Bovis Home gives you the peace of mind that comes from choosing a company that has been building some of the **best homes in the UK for more than a hundred years.**

We pride ourselves on being one of the country's leading housebuilders and have established an enviable reputation for the quality of our build and design, specification and customer service.

Each Bovis Home is carefully planned both to meet your needs and to integrate into the existing location.

We will often use local materials and reflect regional features. Trees are retained wherever possible and new landscaping added, along with footpaths and cycleways in many cases to help create a wonderful place to live.
