So much choice...

Part of the excitement of buying a new home is the thrill of being the first person to live in the property and having a brand new contemporary kitchen and modern bathroom. Our premium brand partners ensure that all of our fixtures and fittings comply with the latest Government building regulations and only branded appliances are installed in your new home.

Once you know what specification comes included, you'll have a choice from our specially selected tiles for your kitchen and bathrooms, as well as kitchen worktops and cupboard doors. You can then use the Bovis Homes **Select** brochure to add the finishing touches to your home to make it extra special for you!

From personalising your bathrooms with stunning ceramics, or adding smooth sliding wardrobes to your master bedroom, there are a wide range of additional options and upgrades available.

The availability of items is subject to the stage of build, and can vary by development and house type. Our sales consultants will be happy to provide guidance.

When you have finished with this leaflet please recycle it.

The specification shown in this leaflet is correct at the time of going to press. Bovis Homes is continually reviewing and updating the specification on all housetypes and therefore reserves the right to change specification details. Photographs depict a typical Bovis Homes interior and may include optional upgrades. For full details regarding current specification and finishes, for the plots you are interested in, please refer to our sales consultant.
