

LONGFIELDS

Development update

Issue 1 | SUMMER 2024

We wanted to provide you with a brief update on the development and what you can expect from us over the coming months.

Getting Around

Longfields is about 15-20 minute walk to Flemingate Shopping area and around 2 miles from the town centre, where its Railway Station provides links to the popular coastal resorts such as Scarborough and Bridlington, as well as Sheffield, Doncaster and Hull. By road it's only 7 miles to Hull and 35 to York, both cities providing many more shopping and leisure facilities.

Site activity

- We are progressing well with the plots and finishing the roads. Hopefully this has not caused too much inconvenience to residents
- We have made excellent sales progress and now only have a handful of plots remaining on this phase

Why Longfields?

- Easy access to a number of 'A' roads
- Good selection of Ofsted-rated schools for all ages within easy reach of home
 - Excellent local facilities.
- Just a short distance from everything Beverley has to offer & close to Beverley train station
- With [Smooth Move+](#) we can help you sell your home

Site plan

Beverley **HU17 0ZN**

Timeline

Important dates: The open space areas at the front of the development are completed and landscaped.
Roads and footways have been completed well into the development and will continue as site progresses.
